WRITE-IN VOTES

STEP 2:

- Review your ballot.
- Be sure you have marked your ballot completely.
- You do not have to vote on all contests.
- If you vote for more candidates than allowed it is called an overvote. Your vote for that contest will not count. Those contests you vote correctly will still count.
- If you make a mistake, you are entitled to a maximum of three opportunities to cast a ballot, including the original ballot issued (EC §14288). Return the spoiled ballot to a Poll Worker and a replacement ballot will be issued to you.

STEP 3:

- Place your voted ballot in the secrecy sleeve and return it to the Poll Worker to be deposited in the Ballot Box.

Do NOT sign or initial your ballot.
