

FIRST TIME FEDERAL ELECTION VOTER

IDENTIFICATION REQUIRED PROCEDURE CARD

Under federal law, Section 303 (b) of HAVA ("Help America Vote Act"), voters who register by mail in Shasta County, on or after January 1, 2003, who have not previously voted in a federal election in Shasta County, and who do not submit identification with their voter registration card, or who have not had their drivers license number or the last four digits of their social security number verified, must provide valid identification prior to voting.

The roster of voters at the polling place will indicate "ID Required" on the line next to the voter's name.

Voters subject to the identification requirement must show appropriate identification prior to voting in order to vote a regular ballot. Any doubt as to the sufficiency of proof of a document presented shall be resolved in favor of permitting the voter to cast a regular ballot.
